

2019 Annual Conference

APRIL 9-12 | PALM SPRINGS

WEDNESDAY MORNING

Opening General Session Focuses on Leadership

Leadership isn't just for top bosses. Everyone, at every level of an organization, is a leader – and they likely don't even recognize it. Getting people to see their own potential is Drew Dudley's specialty. You may not even realize you're having an effect on others, but you are. **Drew Dudley**, a leadership expert and the founder of Day One Leadership, will show how moments of daily leadership can help everyone to raise their game.

TRAINING TUESDAY, WEDNESDAY, THURSDAY & FRIDAY

Over 100 Technical Sessions, Workshops and Tours

AC19 will feature over 40 technical tracks that include over 100 sessions. Featured topics cover asset management, declining wastewater flows, changing regulations, leadership skill development, nutrient removal and advances in reuse. These tracks provide the opportunity to learn about the state of the water environment profession in California while gaining continuing education units.

NEW EVENTS ADDED

Let's Have Some Fun

At AC you get to network and increase your professional contacts to help you in your career and on the job. Get to know fellow wastewater professionals during these great social events: Golf Tournament; Women Impacting Water Breakfast; Ice Breaker reception; Exhibit Hall receptions, *New Game Show*; Student and Young Professional mixers and an all attendee scavenger hunt.

THE PLACE FOR SOLUTIONS

California Water Technology Exhibition

Have a treatment challenge? Bring it to the great vendors in the exhibit hall and talk with them about the solutions they have to offer. Please help support the vendors who help us organize the Annual Conference!

CHOOSE FROM LUNCH OR BREAKFAST MEETINGS

Committee Meetings

Get to know fellow water professionals who are tackling the same challenges you are during a committee meeting. Hear about the latest activities and help honor outstanding professionals during the recognition ceremonies. Help make a difference, join a committee.

Four days of training, a lifetime of connections.

WELCOME TO THE EVOLUTION

This is a time of great change in the water sector. The workforce is changing through retirements and new hires. The technology is advancing to meet new demands with a goal of greater efficiency and environmental stewardship. California's clean water professionals will head to the desert in April to "level up" their individual skills to keep pace with the changes our profession is going through. Join us in Palm Springs to get your "game on."-
Connie Leonard, CWEA President & Brian Peck, AC19 Co-Chair

FIND SOLUTIONS IN THE EXHIBIT HALL, PLUS CHECK OUT THE INNOVATION LEARNING CENTER AND THE "YOU DON'T KNOW 🤖" GAME SHOW.

JOIN US TUESDAY FOR IN-DEPTH WORKSHOPS.

NETWORK WITH FELLOW WATER PROFESSIONALS IN THE TECHNICAL SESSIONS.

SIGN-UP FOR ONE OF THE WEDNESDAY NETWORKING LUNCHEAS TO BUILD YOUR PROFESSIONAL NETWORK AND LEARN WHAT'S HAPPENING IN THE SECTOR.

Four days of training, a lifetime of connections.
