NEW Joint CWEA/NWEA Exhibit Hall and Events

NEW Partnering for Impact Event by ReNUWIt and UofNV Reno

“The California-Nevada Section of AWWA regularly holds conferences in Reno, and it always meets or exceeds expectations.

There is a terrific, newly renovated convention center. Reno is affordable, and features plenty of opportunities for learning, networking, and fun.”

– **Tim Worley**

Executive Director, CA-NV AWWWA

We’re happy to talk with your agency about the benefits of Reno

AC20 Reasons for Reno

- The **Sacramento Convention Center is closed** 2020 through 2021 for remodeling. Other Bay Area and Northern California convention centers are very expensive or have limitations for mid-sized conferences such as AC.
- The **Reno Convention Center is recently renovated, modern, spacious and comfortable**. It is highly rated and they are offering several incentives.
- Reno hotels are affordable and plentiful, including the host hotel **Atlantis Casino Resort and Spa**.
- **Flights** from all major CA cities right into Reno are convenient.
- **Restaurants are nearby**, including several in the Atlantis.
- **Fun and excitement - Downtown Reno** is short 12-15 minute drive.
- Many California water associations enjoy **Nevada's friendly hospitality**. California agencies send team members to NV for the CA-NV AWWA conference and TriState Conference in Las Vegas.

Reasons to Attend AC

- **Meet and network** with 2,000 water professionals (now from CA and NV!).
- Learn from **200+ presenters** during the 150 technical sessions and workshops.
- Learn about **hot topics water leaders told us their folks need to know now**, including: asset management; collection systems; SSS-WDR; one water; water reuse; advanced water treatment; ELAP; alternative delivery; regulations; nutrient removal; operations; biosolids and more.
- Learn about **new technologies and talk with 150 vendors** in the exhibit hall.
- And of course **have some fun** – ice breakers; bowling tournament; awards ceremony; special networking lunches; social events and more!

Bonus Reno Benefits

- Joint events with water pros from the **Nevada Water Environment Association (NWEA)**.
- **Joint California-Nevada Partnering for Impact** event organized by the University of Reno and ReNUWit.
- Exciting **new tour locations** including Reno, Lake Tahoe and Truckee advanced water resource recovery facilities.
- First time in decades Annual Conference is near our **Sierra Section** members.
- **2-hour drive from Sacramento** and several Northern California cities.
- During downtime great rec opportunities – **skiing, hiking and Tahoe!**

Host hotel

**Atlantis Casino
Resort and Spa**

\$134/night + tax

4-Diamond AAA rating
