

2020 RENO March 31-April 3

AC20 REASONS FOR RENO

- **Joint social events with the water professionals at Nevada Water Environment Association.**
- **Sacramento Convention Center is closed for remodeling**
- **The Reno Convention Center is recently renovated**
- **Reno hotels are affordable including the host hotel Atlantis Casino Resort Spa**
- **California agencies send team members to NV for the CA-NV AWWA conferences and TriState Conference**
- **2-hour drive from Sacramento**
- **During downtime great rec opportunities – downtown Reno, skiing, hiking and Tahoe!**

Reasons to Attend AC

- **2,000** water professionals now from California and Nevada.
- Learn from **200+ presenters** during the 150 technical sessions and workshops.
- In-depth learning at these **featured workshops**:
 - Build Your Own **Asset Management** Program
 - **Instrumentation and Electrical** Drawings 101: Hitchhiker's Guide to Basic Instrumentation, P&ID and Motor Controls Drawings for Wastewater Pumping and Treatment
 - Operations: **Nutrient Removal Process** Troubleshooting from Start-Up through Asset Life
 - Journey-Level Training on **Process Control Analyzers**
 - Introduction to **Advanced Water Treatment**
 - And so much more!
- Learn about **new technologies** and **talk with 150 vendors** in the exhibit hall.
- **Tour locations** including Reno, Lake Tahoe and Truckee advanced water resource recovery facilities.
- **Fun** – ice breakers; bowling tournament; awards ceremony; networking lunches; social events and more!

Diana Messina, Laurie Brenner, Michele Farmer:
Leadership Track Speakers at AC19

Packed Opening General Session at AC19

Registration opens in January
AC.CWEA.org

We're happy to talk with your agency about the benefits of AC20 in Reno
